

Final Chapter

Book Signing at Tagajou (Miyagi prefecture)

My first solo book signing! What's more, it was in my hometown of Miyagi prefecture, so I was very happy!

I want to say thank you to everyone who came to the shop for my signing!

I thought to myself, "what do I do if nobody comes!" but !

Fare than anything, I was so happy to meet people. In-person! Some people gave me fan letters, and I was very happy to meet girls named "Isabelle-chan" and others with the same names as my manga characters. 

Also, thank you very much to everyone on the staff, who helped me to have a wonderful book signing!

Koi & Kag character profile (2)

- Birthdays: April 19th
- Blood type: O
- Hobby: Drawing
- Favorite item

If I had this type of face I'd need no outfit of warning. I draw a girl to fit that type of image.

To tell the truth, no from the junior high school period already appeared in the first round on page 70!

I received the name no from the Cibo Camos staff, thank you very much!

I might have to let go of Subaru-kun.

If a lot of things are said it will turn into such a connection.

I don't want to think about such a thing.

I don't want to be separated from Subaru-kun!

Something I
wonder if it's
even possible
to say.

I am
Sebana-kun's
girlfriend

Or
something
like that

And after
that we can
have an after
school date in
our uniforms.

It's in order
to protect
our secret

I have to be
patient

Where does
he plan on
taking me?

If we go the
far away, I
doubt any of
the guys from
school will be
here.

A town I
don't know.

Oh, I see
a delicious
looking variety.

I get to see
the type
old name
Sukunabun
as well.

I'm happy
I came.

Yeah.

It would be nice
if our time alone
together like this
could continue
forever...

It work hard to
create time just
for the two of us!

Funny for
himself to
look!

He's so
cute!

He's so
cute!

He noticed.

Even I.

Let's do
our best
together

It's more
fun that
way

I'm scared
thinking we
might have
to be
separated

What's up, Hina?

Father

Ah-
We're
Finally
back.

But even more
than that, I want
to cherish the
time I spent in
the world of
happiness, but the

It was the sign
of the fun time
ending, and I felt
lonely

In the past
when I watched
the sun set.

But right now
even when our
date is over
we will be going
home together

Hayami-kun, this is
the the moment
you confess live
on air!

たっ

My only
girlfriend
is Hinako!

I could
never compare...

To that
type of
girl

Why did
you suddenly
announce
the truth?

I'm sorry, but
when I looked
at Hideo's face
I couldn't hold
myself back
from saying
the truth.

What do
you plan
to do
from
now on?

It doesn't
matter
what they
say about
me.

It's fine.
I would never
grow apart
from you
over such
a thing.

Ever since that day
I kept falling in love
with you even more
with every passing
day.

It's no
good.

I won't wait
anymore.

Hold on.

What if
someone
sees us?

Wait
until
we get
home.

Subaru-kun
let me know
every time,

That love
would change
my world.

every day,
how much he
kept telling
in love with
me.

The method of making Koi x Koy

In addition,
I don't have
an assistant
and I draw
alone.
